

## CLIENT INTAKE FORM

**This form is intended to help us prepare for and co-create a powerful Intuitive Astrology Reading that:**

1. Brings clarity and illumination to any areas of your life where you feel stuck
2. Help you connect clearly with your Divine Purpose & Spiritual Gifts
3. Help you clearly see & claim your strengths and healing journey

**\*Please Note:** EVERYTHING about our session is kept in the strictest confidentiality. The only time I would ever discuss your situation with anyone else would be with your advanced notice and would be for the purpose of coordinating with another healer to whom I may have referred you.

Given Name:

Preferred Name:

Date of Birth

Birth Time

Location of Birth

Known Ancestry/Cultural Background of Ancestors:

What information do you know about your birth?

Have you ever done a rebirthing session? If so, please share as much as you feel comfortable sharing.

Have you experienced any energy healing work in the past?

Have you experienced any known trauma in this lifetime – physical, mental, emotional or spiritual?

Have you had any trauma to your head in this lifetime?

Do you have any knowledge, sense or visions of past-lives? If so, please share. If you have a sense of where your past-lives may have taken place. Or, any particular gifts or trauma that may have occurred in those lifetimes? Please share.

Do you have any animal or spirit guides that work with you? If so, please share.

Have you ever had any miraculous and/or spiritual experiences or events occur in this lifetime?

Have you ever had an astrology reading? If so, what important things do you remember from the reading?

Do you feel that you have any healing or spiritual gifts? If so, do you have any sense of what it/they may be? Please give me as much information as you can.

Do you consider yourself to be intuitive? Empathic?

Are you experiencing any symptoms of Dis-ease spiritually, mentally, emotionally or physically? If so, please provide as much as detail as possible.

Do you suffer from what Western Medicine considers to be depression, anxiety, bipolar, Schizophrenia or any other kinds of struggles of that nature? If so, please give me as much information here as possible.

Please share anything else that you feel called to share.
